Please join Lynn and Andrew on this 8 day tour to Norfolk Island and experience all the wonders this beautiful relaxed Island paradise has to offer. Norfolk Island has a fascinating history, being officially claimed by His Majesty's Government as the 2nd settlement of Australia in March 1788. However there was a brutal side to this settlement as it was designated to become a penal colony, "a place of the severest punishment short of death" Sir Thomas Brisbane wrote. A relic of those days can be seen at the Unesco World Heritage site of Kingston, where the remains of the penal colony and government buildings stand.

There is so much to experience on Norfolk including the rich history, stunning sandy beaches, rugged cliffs, tall pine trees, culinary delights and friendly local people. Travelling with Lynn and Andrew you are sure to enjoy a fabulous week of discovery, fun, laughter, fine food and friendship. Book early as places are limited.

Walk inside the circular painting and be surrounded by the immense artwork. A spectacular 3D effect is achieved in this painting with its detailed artwork and realistic perspective and the story that traces the history of the Bounty leaving England through Tahiti, Pitcairn Island and arrival at Norfolk Island in 1856.
